

**NOTICE OF ACTION
BY THE
UNIVERSITY OF WASHINGTON**

Notice is given under SEPA, RCW 43.21C.080, that the University of Washington Board of Regents, to the action described below on January 11, 2018.

Any action to set aside, enjoin, review or otherwise challenge such action on the grounds of noncompliance with the provisions of Chapter 43.21C RCW (State Environmental Policy Act) shall be commenced on or before February 13, 2018.

Description of Agency Action: Approval by the Board of Regents of the 2017 UW Bothell and Cascadia College Campus Master Plan and Development Agreement.

Description of Proposal: The UW Bothell and Cascadia College Campus Master Plan will guide development, building on the 2010 (rev 2011) Campus Master Plan and extending the continuity of planning developed over the next 20 years. The Campus Master Plan includes guidelines and policies for new development on the campus. It is formulated to maintain and enhance the fundamental missions of the University and College, including multiple important roles in undergraduate and professional education and dedication to research and public service.

Location of Proposal: The current UW Bothell/Cascadia College campus is generally bounded by I-405 and SR-522 on the East; SR-522 on the South; 110th Avenue NE, NE 185th Street and Beardslee Boulevard on the West; and Beardslee Boulevard on the North.

Type of Review under SEPA: Final Environmental Impact Statement issued August 7, 2017 and Draft Environmental Impact Statement issued March 17, 2017. Scoping occurred on October 31, 2016.

Documents may be examined at <https://facilities.uw.edu/committees/sepa> .

Name of Agency, proponent, or applicant giving notice: University of Washington.

This notice is filed by Julie Blakeslee, Environmental & Land Use Compliance Officer, January 15, 2018.
