CHAPTER 00300

INFORMATION AVAILABLE TO PROPOSERS

EXISTING CONDITIONS

A. Certain information relating to existing surface and subsurface conditions and structures is available to proposers and included in this RFP as if bound herein. The datum may vary among the reports, surveys, and other documents. This information will be part of the Contract Documents, as follows:

1. Site and Utility Survey:
   a. Entitled: “University of Washington Topographic Survey Rainier Vista”
   b. Dated: January 14, 2010
   c. Survey CTB file entitled “Survey_TNLS.ctb”

2. Geotechnical Report:
   b. Dated: December 30, 2009
   c. Geotech Figure 2 Rev.1
   d. Dated: December 2009
   e. Triangle Garage boring B2a, B2b
   f. Dated: 2-14-72

3. Hazardous Material Survey:
   a. Entitled: Sound Transit Light Rail – Rainier Vista Pedestrian Landbridge
   b. Dated: March 17, 2010

4. Triangle Garage as-builts and structural calculations:
   a. Entitled: “University Of Washington Triangle Parking Garage”
   b. Dated: April 23, 1985
   c. Drawing index of all available record information entitled “Record drawing index.xls”
   d. Triangle Garage Structural Calculations
   e. Dated: Mar ’85
   f. Entitled: Triangle Utilities
   g. Dated: 4/14/86
   h. Entitled” Irrigation as-builts Triangle1, NE, NW (3ea.)
   i. Dated: 4/14/86
   j. Entitled: Utility Tunnel as-builts
   k. Dated: 1978
   l. Entitled: Tunnel Section
   m. Undated
n. Entitled: Utility Tunnel Cross section
o. Dated: 2/12/73

5. 60% Schematic Design Documents:
   a. Entitled: “University of Washington, Montlake Triangle/Lower Rainier Vista/Pedestrian Landbridge”

6. King County Metro:
   a. Entitled: “Metro bus 90 degree turning radius
   b. Dated: 9/26/94
   c. Entitled: Metro Autoturn radii
   d. Dated: Oct 02
   e. Metro Trolley Standards SP-201.16
   f. Dated: July 2008
   g. Entitled: Metro Scope Items
   h. Dated: 3/8/10
   i. Entitled: Metro Rainier Vista Layover
   j. Undated

7. Sound Transit Haul Route:
   a. Entitled: Link contract U250 drawing N21-CC200
   b. Dated: 05/01/09

8. Sound Transit U220 Geotechnical Baseline Report
   a. Entitled: U220 Geotechnical Baseline Report
   b. Dated: May 2009

9. Montlake Triangle Traffic Count data
   a. Entitled: “Automatic Traffic Count”
   b. Dated: 7 Oct 09

10. Puget Sound Energy As-builts
    a. Entitled: PSE Gas Main at Vista1 & 2 (2 ea.)
    b. Dated: 3/25/96

    a. Entitled: Civil
    b. Dated: July 2008
    c. Entitled: Irrigation
    d. Dated: July 2008
12. Street Right of Way Survey
   b. Dated: Apr 16, 2007

13. Triangle Garage Ventilation Study
   a. Entitled: Triangle Parking Garage Ventilation
   b. Dated: March 15, 2010
