January 2012

**University of Washington. 2012.
Intramural Activities Field No. 1
Improvements Draft Supplemental
Environmental Impact Statement.
Prepared by Parametrix Inc.,
Bellevue, WA. January 2012.**

Fact Sheet

TITLE	University of Washington Intramural Activities (IMA) Field No. 1 Improvements
DESCRIPTION OF PROPOSAL AND ALTERNATIVES	Alternative 1: No Action Continued use of the existing field in its present configuration Alternative 2: Proposed Field No. 1 Improvements with Field Lights This alternative will include the following: <ul style="list-style-type: none">• Replacement of the existing grass field surface with new artificial turf• Installation of lighting to allow night use• Installation of fencing Alternative 3: Proposed Field No. 1 Improvements without Field Lights Only replacement of the grass surface with artificial turf and fencing would be included in this alternative.
PROPONENT	University of Washington
ANTICIPATED CONSTRUCTION	May 2012 to August 2012
LEAD AGENCY	University of Washington
RESPONSIBLE OFFICIAL	Richard Chapman, Associate Vice President Capital Projects Office
CONTACT PERSON	Jan Arntz Environmental and Land Use Compliance Officer University of Washington Capital Projects Office University Facilities Building Box 352205 Seattle, WA 98195-2205 Telephone: (206) 543-5200 Fax: (206) 543-1277 e-mail: jarntz@u.washington.edu

Fact Sheet (continued)

LICENSES, PERMITS, AND APPROVALS POTENTIALLY REQUIRED

- Final Approval and Notice to Proceed by the University of Washington
- Final Design Approval by the Associate Vice President, Capital Projects Office, and Athletic Director
- City of Seattle Permits
 - Master Use Permit
 - Clearing and Grading Permit
 - Stormwater Control Permits
 - Street Use Permits, including truck hauling specifications
 - Electrical and Mechanical Permits
- Washington State Department of Ecology NPDES Construction Stormwater General Permit

EIS Preparation

THIS DOCUMENT IS A SUPPLEMENT TO

This document is a supplement to the Final Environmental Impact Statement for the University of Washington Master Plan for the Seattle Campus, September 10, 2001

Available online at:

http://www.washington.edu/community/cmp_site/final_eis.html

Copies are available at:

University of Washington Suzzallo Library
Seattle Public Library

DATE OF ISSUE OF DRAFT SUPPLEMENTAL EIS

January 27, 2012

DATE COMMENTS ARE DUE ON DRAFT SUPPLEMENTAL EIS

February 27, 2012, 5:00 PM

Comments must be received by mail or email addressed to:
Jan Arntz, Environmental and Land Use Compliance Officer,
University of Washington Capital Projects Office, Box 352205,
Seattle, WA 98195-2205
e-mail: jarntz@u.washington.edu

LOCATION OF BACKGROUND INFORMATION

University of Washington
Capital Projects Office
University Facilities Building
Seattle, WA 98195-2205

DATE OF FINAL ACTION ON THE PROPOSAL

April 2012

Fact Sheet (continued)

AVAILABILITY OF THE DRAFT SUPPLEMENTAL EIS

Copies of this Draft Supplemental EIS are available for review at the University's Capital Projects Office (University Facilities Building); the University's Visitor Information Center; and the following University and Seattle Public Libraries:

University of Washington Suzzallo Library and
Seattle Public Library

- Downtown Central Library, 1000 Fourth Avenue
- University Branch, 5900 Roosevelt Way NE
- Montlake Branch, 2300 24th Avenue East

Copies of this Draft Supplemental EIS are available from the University Capital Projects Office for the cost of reproduction.

Copies are also available online at
