

UW Architectural + Landscape Commission

12 August 2019

Foster School
Expansion

HOFFMAN + LMN

Project Goals

1. Continue success in **attracting the best** faculty, students, and staff.
2. Create space that is **flexible and adaptable** to meet the evolving needs of the Foster Business School.
3. Complement existing Foster School buildings to form a **cohesive and connected Foster School complex**.
4. Celebrate and **enhance distinctive campus open space** and circulation patterns in this part of campus.

FEEDBACK FROM JULY MEETING

Architectural Commission Feedback – 16 July

- Supportive of the general building massing and siting approach.
- More generous entry area recommended at main entry doors.
- Consider building activity + pedestrian engagement at Chelan Way
- Question regarding circulation to Event Space
- Priority to save the Sequoia on Stevens Way (and as many exceptional trees as possible) when siting the building.
- Recommended increasing the planting area along Stevens Way if parking program is reduced.
- Further study recommended for the engagement of the building and deck with the slope of the yard and pedestrian pathways.
