Historic Resource Addendum for the URM 2018-2019 Improvements

The following facilities are anticipated to receive modifications to secure Unreinforced Masonry:

Building	URM Bearing Wall	URM Non- Bearing Wall	URM Appendages
Lewis Hall	X		
Music Building	X	X	X
Gowen Hall		X	X
Smith Hall		X	X
Communications Building	X		X
Johnson Hall			X
Mary Gates Hall			X
Portage Bay Building			X
Power Plant			X
Savery Hall			X
Thomson Hall			X

A UW Historic Resources Addendum (HRA) is deemed complete by the use of the following:

- The report prepared on each of these buildings for the 2017 Historic Asset Survey (<https://cpd.uw.edu/programs/historic-preservation>);
- The review conducted by the Seattle Landmarks staff as described in the attached UW-Seattle SDON/Landmarks URM MOU;
- The existing conditions site survey conducted on each building by the design-build team for CPD Project #205729 including Clark Construction, Degenkolb Structural Engineers, and Schacht|Aslani Architects; and
- The minimally invasive approach to the work.
