

University of Washington SEPA Public Register

Entry Number: 246

Campus	Address	Description	Contact Information
Seattle	Husky Stadium is located on and east of Montlake Boulevard NE, south of Hec Edmundson Pavilion, west of Union Bay, and north of the Lake Washington Ship Canal.	The University is updating the Husky Stadium Transportation Management Plan (TMP). The University's goal is to prepare a TMP that accommodates a maximum crowd of 70,000 people; modifies mode goals and operational logistics for hosting smaller events than football games (e.g. UW Commencement, other athletic events, etc.); maximizing alternatives modes of transportation to reach stadium events; allows flexibility to incorporate future development in transit options (i.e. opening of new light rail stations); and recognizes and accounts for special challenges presented by weekday football games. Two alternatives will be analyzed in the Draft Environmental Impact Statement – Proposed TMP alternative (the Action) and the No Action alternative.	<p>Name: Julie Blakeslee</p> <p>Department: Capital Planning & Development</p> <p>Address: Box 352205 Seattle, WA 98195</p> <p>Email: jblakesl@uw.edu</p>
